

Novena Prayer in Support of DACA

To be prayed each day, November 3-11, 2019. The justices of the Supreme Court will hear oral arguments on Deferred Action for Childhood Arrivals (DACA) on November 12, 2019.

God of Mercy and Compassion,

We pray for DACA recipients,
for their protection, their dignity, their hope.
We pray for their families,
who struggle with uncertainty and fear.

We pray for ourselves
that we may act with understanding,
compassion and justice.

Help us to listen to the voices of
all of our sisters and brothers
with respect and understanding
because we know we are all one in you,
our loving God.

We pray especially in these days for the
Justices of the Supreme Court
to be guided by the Spirit of Wisdom
as they deliberate the future of DACA.

Amen.
